Sylmar, December 30, 2009

Another year have passed by and all our horses are becoming a year older. 2009 has been a tough year and we hope that it will change for the better during 2010 so we can go to more horse shows since we now have many horses and riders that are ready to do well.

A couple of horses showed at the Equestrian Center in the beginning of December with very good results. Highlights were Line and Mille who got a 66% in Third Level Test 1 and 64% Test 2. Ulf and Rainman got a 71.3% in Intermediare I and Lasse and Mambo 68% First Level.

Winter also means rain now and then. The rain schedule is as follow. We have the indoor:  
Tuesdays 7.30-10.00 then open time from 12.30 and forward.  
Thursday 10.00-12.30 then open time forward.  
Saturday 7.30-10.00 and 2.30- 4.30 open time between 12.30-2.30  
Any lunging on our time should be done before 8.00 on Tuesdays and Saturdays.

January is a busy month with several clinics.  
Ulf to Minnesota 8-11  
Lasse to Connecticut 16-17 maybe New Mexico 18-19  
Lasse to Wisconsin 23-24

Show at LAEC January 30-31. Closing date January 15<sup>th</sup>. Plan for the show at Hansen Dam February 20-21.

For you who receive this before New Years Day, don't forget that we have our traditional Quadrille following potluck at 12.00.

We really try to make sure one of us, (Lasse or Ulf), are home during the weekends to take care of the lessons but with hopefully more horse shows it might happen that we will both be gone now and then. If someone is unhappy with that we are more then willing to charge for what you get with \$60/lesson and \$310 for service. This will give you 7 lessons/month + service compare to what you pay now.

Looking forward to 2010

HAPPY NEW YEAR!!
